

Serial No.: 09/521,685

Docket No: 112770 CON

CLAIMS

32-43. Canceled.

1 44. (Currently Amended) A method performed by a guarantor of payment for
2 purchases, the method comprising
3 receiving from a user a request to send to said user at least one short-term
4 certificate, said request containing long-term certificate that contains at least information
5 that verifies the identity of said user,
6 responsive to ~~receipt of said long-term certificate~~ said request, and upon
7 authenticating said user, determining a maximum amount and a period of time ~~for during~~
8 which said guarantor is willing to guarantee payment for purchases by said user, and
9 sending to said user a short-term certificate guaranteeing payment up to said
10 maximum amount for a purchase by said user from a supplier in a transaction carried out
11 over a network, so that said user is enabled to enter into said transaction using said short-
12 term certificate as a form of payment that will be accepted by said supplier, said short
13 term certificate including an expiration date information corresponding to said period of
14 time,
15 receiving said short-term certificate and an electronic record of said transaction
16 from said supplier, and
17 making payment to said supplier for said purchase a) without having received
18 from said supplier any request for assurance relative to said short-term certificate or
19 relative to said guarantor's guarantee to make said payment, and b) without providing any
20 such assurance to said supplier.
21 ~~whereby said user is enabled to enter into said transaction using said short-term~~
22 ~~certificate as a form of payment that will be accepted by said supplier.~~

1 45. (Previously Presented) The method of claim 44 further comprising billing
2 said user for said purchase through a regular billing channel between said guarantor and
3 said user.

1 46. (Previously Presented) The method of claim 45 wherein said regular
2 billing channel is a telephone bill.

Serial No.: 09/521,685

Docket No: 112770 CON

1 47. (Previously Presented) The method of claim 44 wherein said short-term
2 certificate further includes an assertion of at least one entitlement for said user in addition
3 to the ability to use said short-term certificate to pay for purchases.

1 48. (Previously Presented) The method of claim 44 wherein said short-term
2 certificate further includes an indication that said user is entitled to a discount to the cost
3 of said purchase.

1 49. (Previously Presented) The method of claim 44 wherein said short-term
2 certificate further includes an indication that said user is entitled to use a form of payment
3 other than money.

1 50. (Previously Presented) The method of claim 44 wherein said short-term
2 certificate further includes an indication that said user is entitled to use loyalty points to
3 pay for said purchase.

1 51. (Previously Presented) The method of claim 44 wherein said short-term
2 certificate further includes at least one marketing offer from at least one market partner of
3 said guarantor.

1 52. (Previously Presented) The method of claim 51 wherein said at least one
2 marketing offer is a discount to the cost of said purchase.

1 53. (Previously Presented) The method of claim 51 wherein said at least one
2 marketing offer is loyalty points to pay for said purchase.

54-56. Canceled

1 57. (Currently Amended) A method performed by a supplier of goods or
2 services, the method comprising
3 receiving a short-term certificate from a customer, said short-term certificate
4 specifying a maximum amount and information indicative of a period of time for during
5 which a guarantor is willing to guarantee payment for purchases by said customer,

Serial No.: 09/521,685

Docket No: 112770 CON

6 consummating a purchase transaction with said customer over a network
7 including acceptance of said short-term certificate as payment for the purchase without
8 seeking any assurances relative to said short-term certificate or relative to said
9 guarantor's guarantee to make said payment, other than any assurances contained in said
10 short-term certificate itself,
11 sending said short-term certificate and an electronic record of said transaction to a
12 billing system for payment from said guarantor, and
13 receiving said payment from said guarantor.

1 58. (Previously Presented) The method of claim 57 wherein short-term
2 certificate further includes an indication that said customer is entitled to a discount to the
3 cost of the purchase, wherein said consummating the purchase transaction includes
4 charging the discounted cost to said customer.

1 59. (Previously Presented) The method of claim 57 wherein said short-term
2 certificate further includes an indication that said customer is entitled to use loyalty
3 points to pay for the purchase, wherein said consummating the purchase transaction
4 includes accepting said loyalty points in payment for said purchase, and wherein said
5 payment from said guarantor includes cash remuneration.

1 60. (Previously Presented) The method of claim 57 wherein said short-term
2 certificate accepted by said supplier had been received by said customer from said
3 guarantor in response to a long-term certificate that had been sent from said customer to
4 said guarantor, said long-term certificate having contained at least information verifying
5 the identity of said customer.
